

Tapas Selection

=====

Tapas are a wide variety of appetizers and snacks, in Spanish and Mediterranean cuisines.

At Bubbles, tapas have evolved into an entire, and often sophisticated selection.

While in Spain, patrons of tapas can order many different tapas and combine them to make a full meal, we would recommend you to opt for a set of 3 or share a combination of 5 while enjoying a few drinks by the pool, at the lobby's bar or at the restaurant.
