SIGNATURE DINING

At Salon Bali we champion the small growers, the bespoke producers and the region's unique seasons.

Our Poultry is free range, organic fed and antibiotic free, seafood wild caught from Bali, Nusa Penida and stretching to the pristine waters of Raja Ampat.

Our menu rotates around the indigenous products we find in Bali and across the nation's archipelago. Salon Bali's dishes are born from our travelling experiences and food memories throughout Bali and Indonesia.

We tribute the indigenous products and spices, we never ask for more, we simply work with what we have.

We hope you enjoy the experience as much as we do.
