Food for Thought is a joint effort from several institutions in Bali's Food and Beverages industry. Initiated by Will Meyrick, the founding chef of Sarong Group, the program involves well established restaurants including Metis, Sarong, Mama San, Hujan Locale, Tiger Palm and Plaga Wines from Indowines as well as other restaurant suppliers.

Sarong Group and its partners send the children to well regarded universities cover their educational expenses and employ them in the restaurants as part timers so they can earn some income to support their selves. After their higher education, the trainees work full time and hoped to bring a change into their families and their communities.

Proudly present Plaga wine for you to take a part of our goals to build the pathway for disadvantaged Balinese young adults, toward higher education and better employment opportunities to create a brighter future for them.
