### A Truly Thai Coffee Experience

- Ten years in the making, naturally refined by elephants, Black Ivory Coffee beans are broken down by the elephants' digestive enzymes, resulting in a smooth tasting coffee without bitterness.
- Sun dried to allow the juice of the cherry to be absorbed into the bean then semi-washed results in extra sweetness and flavor.
- 100% Thai Arabica handpicked beans and thirty three kilograms of coffee cherries are Required to produce one kilogram of roasted beans.
- With only 300 kg. Produced annually. It is truly a signature coffee of Thailand.

**Recommended without milk or sugar**  
THB 1,400 net per set (up to 4 servings)
