Paul John, Peated Select Cask, Indian Single Malt

Produced in Goa, India, the particular expression was matured in ex-bourbon barrels before bottling at cask strength. Walnut, barley and earthy peat on the nose, with a touch of salt; on the tongue, BBQ smoke and brown sugar, with notes of tropical fruit and spices.

Arran, 18 Year Old, Single Malt Scotch

The previous 18 Year Old limited edition got a big following, the distillery decided to make it part of the core range, bottled without chilled-filtration or artificial filtering.
