"Celebrating all things local, we would like to introduce our creation. Curated in house, using ingredients true to Bali. Arak, becomes the latest focus in 2019. Moving forward a more sustainable and pro-loca practice. These cocktails use only the highest quality Arak found in Bali. Taking the tropical fruits and flowers of Bali that bursting with flavor, we infuse the spirit through maceration process which leaves us with strong flavorsome spirit. Taste and experience of the flavors of Bali in our cocktails that are stirred and shaken with excitement to bring you something new."

We hope you enjoy our carefully curated Arak cocktails.
