

Samrub for Thai

Samrub for Thai serves you the best monthly seasonal ingredient-oriented with a balanced "Samrub" full course menu, which comprises of 3 canapes', 5 main courses (served with jasmine rice), and a dessert.

Samrub for Thai is an educational platform for Thai food and culture. They have been researching and travelling around Thailand to search for forgotten ingredients and local family food in each region.

Samrub for Thai offers you a family-style casual dining experience of seasonal and forgotten Thai ingredients through an ancient historic Thai food from old cook book recipes. Each day, they can accommodate only 10 seats at their kitchen.
