## CIGARS

---

**BH.Upmann Magnum 46** 1,230

*Size: Corona Gorda, Length: 143 mm (5 ½”), Ring Gauge: 46*

---

One of the best Cuban cigars - dried fruits and intensely rich woody aromas. The roundness of taste is due to the leather and chocolate aromas - the spiciness is present but the taste of the first third is rather heady.

---

**H.Upmann Coronas Major** 640

*Size: Corona, Length: 132mm (5.2”), Ring Gauge: 42*

---

A small Upmann, but powerful and with a very good taste and complexity - cocoa, leather and hints of tangy cedar.

---

**Romeo y Julieta No.1** 630

*Size: Crema, Length: 140 mm (5 ½”), Ring Gauge: 46*

---

Light and fresh flavors, floral bouquet with faint trace of woodiness. Romeo Y Julieta is a perfect cigar for a beginner of the Havanas.

---

**Montecristo Edmundo** 1,410

*Size: Edmundo | Length: 135 mm (5.3”) | Ring Gauge: 52*

---

This big cigar looks more powerful than it is. Surprisingly mild, the Montecristo Edmundo has all the recognizable traits of the brand, but delivered in a gentle warm smoke. The aromas are perfectly balanced with its characteristic medium to full flavor.

---

## CIGARS

---

**Cohiba Siglo II** 1,220

*Size: Petit Corona | Length: 129 mm (5") | Ring Gauge: 42*

---

A rich and full bodied Cohiba with typically dry, woody aromas that are not overpowered by strength. The cigar is spicy and rich, with complex flavors of dark chocolate, coffee and leather.

---

**Partagas Coronas Senior** 550

*Size: Corona | Length: 132 mm (5½") | Ring Gauge: 42*

---

The official name for this size cigar is called Eminentes and is slightly shorter than a Corona. It has a great Partagas flavor with a nice spicy draw and medium strength.

---

**Partagas Serie D No.4** 1,280

*Size: Petit Corona | Length: 145 mm (5") | Ring Gauge: 43*

---

The Partagas Serie D No. 4 starts with a coffee and chocolate flavor with the overtone of leather and tobacco. The cigar mellows down and gets more complex - woody, earthy and sweet with a medium to full body.

---
