

Covid-19 Advisory:

The safety and well-being of our guests and staff are of utmost priority to us. Cheek Bistro will remain open. In view of the evolving COVID-19 (Coronavirus Disease 2019) situation, we have put in place the following enhanced precautionary measures to ensure Cheek Bistro remains safe for all:

- **Effective from 20 March 2359hrs****, visitors with a travel history to **ANY country**, within the last 14 days will not be able to enter the restaurant.
- Increased frequency of cleaning and disinfection services. Hand sanitisers have also been made available at various locations throughout the building.
- Adjusted formats (seating arrangements and group sizes) for our lunch and dinner service so that our guests can maintain a safe distance.
- The Cheek Bistro team, Front-of-House and kitchen staff conduct regular temperature taking. They have been briefed to remain vigilant in monitoring the health of guests and to assist those who are unwell to seek immediate medical attention.

We would like to remind all guests that we are playing our part by keeping a distance of one-metre between tables, monitoring our teams' health condition and practising good hygiene. We seek your understanding during this challenging period. Individuals who seem unwell may be turned away.

Thank you for your continued support and understanding as we keep Cheek Bistro safe and enjoyable for everyone.

For latest updates on the COVID-19 situation in Singapore, please refer to the Ministry of Health's website (www.moh.gov.sg).

*The Infectious Diseases Act requires a person who has reason to suspect that he is a case or carrier of COVID-19 or has had contact with a person with COVID-19, to act in a responsible manner to not expose other persons to the risk of infection by the disease.
