Lemongrass and peppery warm feeling.

CACHAÇA

Cousin of Rum, Cachaça production can be traced back 500 years! Obtained from the distillation of alcohol from sugar cane or from the fermentation of sugar cane, Brazilians consume 99% of it locally, with over 800 million of litres produced annually!

Style vary depending on distillation and ageing, and it can be enjoyed on its classic versions of Caipirinha and Batida cocktails, but also like any sophisticated spirit, Neat and/or On The Rocks.

SIPPING REFLECTION
