THE CHINESE ART OF TEA

All the tea in the world originally came from China over 2,000 years ago.
It is only in the last century and a half that tea has been grown,
From Chinese seeds, anywhere outside that country.

The Chinese art of tea is known as Cha-Dao (茶道).
Cha-Shu embraces skill in the growing and processing of tea leaves;
Hence, a tea session becomes a short retreat from the stresses
and strains of modern life.

In general, tea belongs to three main categories :
Green, which is unfermented;
Semi-green, which is partially fermented and generally is of two kinds, Oolong and Bolea;
and Red, which is fermented and is often called Black Tea.

Whether the quality of tea is excellent, good or mediocre depends on
many factors but particularly on the nature and locality of the bushes
or trees from which it is culled.

Through scientific tests, tea is found to contain tannic acid,
Vitamins A, B2, C, D and P, Manganese and Aromatic oils.

PREMIUM TEA SELECTION

名茶精选

Heart's Desire - 心心相印

10

This amazing tea is meticulously and expertly hand-tied into a heart shape that unfurls to reveal the Lily, Globe Amaranth and a string of Jasmine flowers. An extraordinary tea with a complex and charming fragrance. Truly a tea connoisseur's heart's desire.

Ginseng Oolong - 人参茶王

10

The highest quality oolong that is hand harvested in Spring from the Anxi region of Fujian, China. Each tea leaf is handpicked to ensure harvests of young buds. Very aromatic and known to retain its strength of flavour even after the 7th infusion. Ginseng roots have been added for its herbal properties to produce a delicious tea. The rich crisp oolong taste is perfectly balanced with a light and refreshing ginseng aftertaste. It nourishes the body and replenishes energy levels. Also known for its cholesterol-busting, digestion and body-cleansing properties.

High Mountain Dongding Oolong - 冻顶乌龙

8

Dongding Oolong is a renowned production from the peninsular of Taiwan. The Oolong has a high and delicious orchid perfume. It is full bodied and has a very light colour. It aids in cleansing the body and lowering cholesterol.

Fuding Shou Mei - 福鼎寿眉

8

The rarest and most spectacular of the Fujian, China white teas. Each bud is covered in a white down and is soft to the touch. They produce a liquor that is pale gold, with the gentle smoothness of a ripe melon. Truly a culmination of all that is elegant. Evidence have shown it has more effective anti-oxidising agents than green teas.

Forbidden Dragon Pearl - 龙珠

8

Our Forbidden Dragon Pearl tea comes from Fuzhou, China. The leaf buds are hand-picked and rolled in Spring, and then carefully stored. In Summer, when the night blooming jasmine flowers are harvested, the tea leaves are brought out of storage and hand scented with the freshly collected flowers for at least 5 consecutive nights. When infused, the Dragon Pearls unfurl to release a wonderfully sweet and delicate floral scent balanced with a fresh green tea taste. Known to relax and revive the body and mind.

PREMIUM TEA SELECTION

名茶精选

Spring King Oolong - 春王铁观音

8

Widely acclaimed as the Saint of Tea. Our Spring King Oolong is the finest oolong harvested in Spring in the Anxi region of Fujian, China. Each tea leaf is handpicked to ensure harvests of young buds. Very aromatic and known to retain its strength of flavour even after the 7th infusion. The taste is smooth, crisp and light with a fragrance that recalls the Chinese orchid after rain. When steeped, the leaves produce a liquor that has a light green hue with a remarkable sweet and pure aftertaste. Known for its cholesterol-busting and body-cleansing properties, it also aids digestion and increases the appetite.

Imperial Pu Er - 宫廷普洱

8

A sophisticated tea collected by tea connoisseurs. Our Imperial Pu Er from Yunnan in China was once presented as a tribute in the Imperial Palace during the Qing Dynasty. It has been carefully hand harvested and processed to prevent unnecessary bruising, and then naturally aged in dry storage for 18 years. A reddish tea liquor with a smooth rich body and complex earthy flavours characteristic of Pu Er. Contains high levels of antioxidants and is known to lower cholesterol and aid weight loss.

Lion's Peak Dragon Well - 狮峰龙井

8

One of China's best known green teas, our Lion's Peak Dragon Well comes from the Lion Mountain in Zhejiang Province, China where the earliest Dragon Well tea is produced some 1,200 years ago. The tea leaves are first flush leaves that have been harvested just before Qing Ming Festival and then subjected to a laborious process of drying. The resulting flat and smooth leaves yield a pale jade liquor that is refreshingly smooth, sweet and delicate, with a hint of sweet chestnuts. Traditionally presented as a tribute to many generations of Chinese emperors. The tea is reputed to revive the body, aid digestion and lower blood pressure. It also has anti-cholesterol build up agents and anti-oxidants.
