Carnuntum, Austria

\$72 btl 750ml

\$14.50 gl 150ml

Pairs Well : Roast meat and house-made sausages

Taste : Exudes intense aromas of red berries, dog-rose and aromatic spices. It is satiny in texture, soft but very fresh with a crystalline acidity that the wine wears quite well.

Vintage : 2018, one of the earliest harvests of all time. Superb vintage with a very hot and dry summer. High quality of healthy grapes. The wines are rich in content and typically characteristics of the grape variety. A great year!

WHITE WINE

MANINCOR MOSCATO GIALLO

Alc. 12% Vol. | pH. 5.1 g/l | RS 1.9 g/l

Südtirol, South Tyrol

\$60 btl 750ml

\$12.50 gl 150ml

Pairs Well : Cheese, Medley of Spreads and house-made sausages

Taste : A ravishing floral perfume together with nutmeg, cedar, apricot and grapey fruit

Vintage : 2013 was not a year for volume, but in terms of quality it was very good and in some cases excellent. A long ripening period in combination with a golden autumn finally created the conditions for a great vintage. The Golden Muscat grapes were left on the vines until the middle of October for perfect maturity. The berries were a golden yellow, the aroma highly intense. At 55 hl per hectare, the yield was low.
