# FIRE

"Fire" is symbolically named after the Balinese Dance "Kecak" where over 50 chorus chanting male dancers, clad in black and white sarongs, gather in a ring around the "fire flame" to act out a traditional story. The Kecak is a triumph of style and mood, and elements of this story can be seen all over the restaurant, from the ceiling fire ball to the sarong styled glass pendants, to the visuals played out on the textured ceiling, through to the black and white checkered marble buffet counter. Traditional it is not... creative, unquestionable!
