

V/S

Wheat beer is made of at least 50% wheat and top-fermented. Characterised by refreshing aromas, lighter body and translucent in colour. Without filtering, wheat beer is cloudy due to suspended yeast and proteins.

Lagers are bottom, cool-fermented and display a lighter crisp taste, often comes with higher carbonation than ales. The flavour of a lager is generally crisp, smooth and well-balanced.

Connoisseur Tier

Our 'Connoisseur' beers include award winning brews handpicked to 'wow' even the most knowledgeable beer drinker among us. These beers ARE Originals; brewed to emphasise the traditional style and taste. All Brotzeit beers on offer are brewed after the strict German 'Reinheitsgebot' Purity Law regulated in 1516.
