*Origin's beef menu is a bespoke selection featuring grass and grain-fed, corn-fed, pure-bred, cross-bred and full blood Angus and Wagyu cattle.

Sourced from Australia, Japan and USA, our curation encompasses

some of the world's best beef*

CHEF'S CUT

Kagoshima Craft Wagyu A4 Maruzen Farm, Kagoshima, Kyushu

Female cattle are fed with a diet of soy beans, soy flour and corn, which increases the high quality fats that have low melting points. The meat has the finest texture, juiciest flavour, and lingering taste on your taste palate.

Striploin 200g \$108

Olive Craft Wagyu A4 Hata Farm, Manno Town, Kagawa, Shikoku

The smallest prefecture in Japan, which is renowned for producing olives.

Due to the large production of olives, Olive Beef was born. The bespoke Olive beef is high in oleic acid, which guarantees a rich and buttery mouthfeel.

Ribeye 250g \$218

Snow-aged Full Blood Wagyu A4, Niigata, Japan

Yukimuro method uses a traditional snow-covered room to preserve and age meat, allowing it to develop sweetness and mellowness. This ancient wisdom of the snow country has been handed down for generations.

Striploin 200g \$168

ORIGIN ANGUS CLASSICS

**Rangers Valley Black Market 100% Pure Black Angus, 300 Days Grain-fed Ms 5+,

Striploin 300g \$72

Stockyard Black Angus 200 days Grain-fed MS 4, Queensland, Australia

Stockyard's long fed beef is derived from Angus cattle fed on grain for a minimum of 200 days at the Kerwee Feedlot on a specially formulated high energy grain ration consisting of locally wholesome wheat, barley and sorghum to guarantee taste. Absolutely no growth hormones, antibiotics, animal by-products or genetically modified (GMO) feed products are used.
