

Birds Of A Feather  
takes inspiration from Chengdu,  
evoking the greenery and its laid  
back lifestyle, as well as its easy  
co-mingling of modern-and-  
historical, East-and-West.

We serve a contemporary  
Western cuisine with  
pronounced Sichuan influence.

Our decor is a sophisticated  
ensemble of Nature and high  
styling; together creating a place  
of calm and conviviality for  
people to relax and 'roost'
