“The World-famous cult winery created by innovative winemaker Manfred Krankl”

Sine Qua Non

Founded in 1994 by Manfred and Elaine Krankl, Sine Qua Non is perhaps the most famous of all the California sensational cult wineries and is renowned for producing exceptionally limited quantities of wines made from classic varietals of the Rhône Valley.

The winery name Sine Qua Non in Latin for “Absolutely indispensable “or literally “without which not”. Not only do all the wines have different blends year after year, but each wine has a unique name. Wine labels and bottle shape were created and designed by Manfred Krankl himself. His wine and bottles became hand crafted works of art. This wonderful tradition has continued to this day, making Sine Qua Non a truly unique wine and winery every year.

Sine Qua Non has used a variety of vineyard sources over the years, mostly from the Santa Maria Valley, Santa Ynez Valley and Santa Rita Hills. Much of their grapes comes from their own vines planted in the Santa Rita Hills named Eleven Confessions Vineyard. It is made up of primarily Syrah and Grenache with some Roussanne and a tiny bit of Viognier. The vineyards are rather cool, and berries are often picked late. This allows a longer and more complex maturation of the grape. The huge global demand is based on the critical acclaim for almost all the wine being produced. It takes years to get onto the mailing list and the wines almost never come back onto the market once purchased. Older vintages are occasionally sold at auction for stratospheric prices.

WHITE WINE

“The Hoodoo Man” is remarkable for a wine of power and intensity, primarily from the Eleven Confessions vineyards.

“Body & Soul” is an energetic and fuller style of Roussanne.

“The Moment” is rich, viscous, full-bodied richness with depth and balance.

“In The Abstract” main grape is Chardonnay, it shows bright golden color, incredible notes of caramelized peaches, poached apples with a deep and long finish. Gorgeous, majestic, with a voluptuousness texture, “Deux Grenouilles” shows the exotic aromatic contributions of the Viognier and Muscat.

Sine Qua Non

RED WINE

"Raven" Grenache are mostly grown from their own 11 Confessions Vineyard. The wine is perfumed with pepper spice, blackberry and dark cherries. The finish is long lasting with ripe and juicy tannins.

"Labels" Syrah is made mainly with their own vineyards with some grapes sourced from Bien Nacido and White Hawk. This wine is rich and opulent and with a firm grip!

The deep, muscular, concentrated and layered **"Dark Blossom"** Syrah. Grenache **"Stein"** impresses us for its textural beauty and nuance. The blockbuster-styled 2012 Syrah **"Stock"** shows pronounced structure and weight.

Manfred Krankl always describes Grenache as a female and Syrah as male. That's how his idea of varietals was written in the name of wine, **"Female"** 2013 Grenache shows profound dark fruit, graphite, spices, savory herbs, and lavender.

A unique blend of Touriga Nacional, **"Le Chemin Vers L'Herésie"** is bold, velvety tannins with nose of violets, kirsch, blueberry compote and dark chocolate.

And finally, you can also meet the newest vintage of Grenache **"Profuga"** and Syrah **"Zieharmonika"** that all Sine Qua Non lovers have been waiting for at Park90!

“ **The new star of Mosel** “

Weingut Markus Molitor

Markus Molitor began with just 1.5 hectares of vineyards in 1984. Over the past 37 years, his holdings have grown to 120 hectares and Markus Molitor is now the largest privately-owned winery, family-run vineyard in the Mosel region. 75% of his vineyards are in Grand-Cru sites along the Middle Mosel River and 25% are in the Saar River region.

His wines are best known for their aromatic depth and fine minerality. Fermentation is long and begins with native yeasts inside stainless steel vats. The wines are left on their lees for many months during which time they develop excellent structure, freshness, and remarkable longevity.

Markus Molitor's wines (Auslese, Kabinett, and Spätlese) have three different capsules to distinguish the wine's taste. White cap indicates dry wines, Gray-Green cap indicates off-dry wines, and gold capsule indicates sweet and botrytis wines.

The “**Ürziger Würzgarten**” site is traditionally considered to be a specialty among the Middle Mosel vineyards due to its red iron-rich soil mixed with fine slate. It is very mineral and savory on the nose rather than floral but much rounder, oilier, fleshier, and less linear in texture.

The Saar region is cooler than Middle Mosel and only south facing slopes can reach adequate ripeness. His two-single vineyard cuvées are noticeable. “**Ockfener Bockstein**” wines tend to have the nose of elderflower, mint, and wet stony elements with wonderful richness and roundness. “**Saarburger Rausch**” Auslese shows a well-integrated and elegant palate.

And also Wehlener Klosterberg, the heart of their vineyards can find elegant style of Pinot Blanc (Weissburgunder).

“ **Glorious and Silky Vosne Romanée** “

Domaine Sylvain Cathiard & Fils

Sylvain Cathiard's story begins with his grandfather, who arrived in Burgundy from the Savoie region in the 1930s and found work with Domaine de la Romanée Conti and Lamarche. He soon enlarged his holdings by contracting numerous metayage agreements with the Thomas-Moillard family.

The Domaine has an impressive array of vineyards centred around Vosne-Romanée, their flagship wines are the Romanée Saint Vivant and 1er Cru Aux Malconsorts which are wines with and with exceptional persistence.

Sebastien's philosophy has always been that hard work in the vineyards is the key parameter for making great wines. So, his wines are renowned for their natural harmony of flavors, good volume, remarkable smooth texture and balance between ripeness of fruit and finesse.

“Discover the great beauty of Santa Cruz Mountains”

Rhys Vineyards

Rhys Vineyards was founded in 2004 by Kevin Harvey, a Silicon Valley entrepreneur and founding partner of Benchmark Capital. He believed that unique vineyard expression is the key to truly great wine, leading them to an approach that includes the intensive studies of Cote d'Or.

Today, Rhys Vineyards makes great Pinot Noir, Chardonnay and Syrah from some of California's most unique and expressive vineyards.

The vineyards were farmed biodynamically, mostly using whole-cluster berries, natural yeasts, and limited use of new oak. His seven vineyards are exposed from the extremely dense plantings. The altitude and proximity to the ocean contribute to a very cool climate.

“Horseshoe vineyard” is the greatest and most beautiful vineyard. it produced unique wines with strong minerality, precise and focused Chardonnay and alluring Syrah from shale soil.

“Alpine vineyard” Pinot Noir shows a combination of rich black fruit and crushed rock complexity while “Family Farm” wines are powerful yet elegant.

“Bearallow vineyard” northwest corner from Anderson Valley is planted on south-west facing hillside. Delicious Pinot Noir are produced here which are subtle, lots of spice and finishes fresh and light.
