NORDAQ SPARKLING / STILL

1 *mandatory

To provide an enhanced tasting experience, all guests will be served with your choice of Nordaq Sparkling or Still water (refillable) when dining with The Wine Cove. This crystal clear, balanced water is specially curated with Nordaq's patented filtration system from Sweden, chosen for its superior ability to highlight the flavours of food and wine after cleansing your palate.

With Nordaq's filtration system, impurities and unwanted flavours are removed from tap water while natural salts and minerals are retained, creating an eco-friendly, sustainable solution to premium water.
