

At the end of 19th century, millions of Italians pushed by a great hunger expatriated themselves all over the world, and particularly the Neapolitans from Naples immigrated to Marseille, France and New York, USA.

They brought with them their famous Napoli pizza which was at first Bianca (white pizza) and transformed into Rossa (red pizza) with the addition of the local provencal tomatoes, Pandelotte.

Pizza Massilia is not just a pizzeria, it's an Art of Living.

Using only the best artisan products from Italy and France (DOCG Burrata, DOCG Mozzarella, organic flours from Italy) and made in an authentic wood fired pizza oven.
