Bar & Restaurant

Playing off of Mirage's well received DNA over the past few years with our steaks, we turn to a more modern and casual alternative to the classic steakhouse: The Chop House. Focusing on thick cuts of meat and steaks, Chop Houses around the world offer quality meats to discerning guests. Our meats will be accompanied with warm bread, Mirage Chop House Salad and bottomless fries to help fill our guests up. Finally, we will have our selection of comfort-food style cakes for the guests to enjoy.
