

## *Our Culinary Philosophy*

*"Cooking is one of the best ways to share feelings and emotions,  
with each bite being a moment of fleeting happiness."*

With extensive years of experience working in some of the most acclaimed Michelin-starred restaurants in the world, the star-studded **Executive Chef Rémy Carmignani** brings this wealth of experience to each meticulously-crafted modern Mediterranean culinary creation.

With childhood inspiration from growing up amongst the stunning landscape and produce of Southern France, along with experience cooking across the globe in Europe, Africa and Asia, Chef Rémy creates light, fresh, health-conscious modern Mediterranean dishes that arouse curiosity and stimulate the tastebuds, while showcasing the freshest produce of the season, sourced with the utmost respect to the environment. Each dish boasts our chef's signature stunning execution and refined French sensibility.
