

A warm welcome to Labyrinth!

Before beginning your adventure through our gastronomic labyrinth, I would love to introduce our brand of “New Singaporean” cuisine to you.

In short for a *new expression of Singapore cuisine*, New Singaporean cuisine showcases unique flavour combinations whilst staying true to the heritage of not just quintessential Singaporean dishes but also unique traditions and culture of Singapore.

My cooking draws inspiration from my childhood memories and personal anecdotes growing up in Singapore, the bountiful local produce that this tiny island has to offer, as well as my roots as a Hainanese growing up as a kid in my grandfather’s restaurant, Cairnhill Steakhouse, one of Singapore’s first premier Hainanese Style Steakhouses.

I hope you will enjoy your Labyrinth experience as much as I have enjoyed putting the menu together for you!

Bor Gai! (*Thank you in Hainanese*)
